

2023 Coors Light Denver Pride Parade Pricing Information

The 2023 Coors Light Denver Pride Parade is a fundraiser for The Center on Colfax with all proceeds benefiting their year-round programming.

All parade applicants will start by selecting a base entry of 15 people by category. Drivers, riders, and walkers all count toward your final participant count.

Each entry, no matter the category, will also receive a complimentary listing on the parade website which will include the name of the entry and the option to order a banner from The Center & Coors Light. Entries may opt out of being listed during the application process, otherwise the name of the entry will be included on the Denver Pride Parade website. This listing does not include logos or links. The banner will include Pride graphics featuring Coors Light and the banner cannot be altered if you choose to take advantage of this benefit.

From there, applicants will select additional parade elements to complete their parade entry. Pricing is based on category.

Note: Regarding vehicles, if you have any passengers that are riding outside a standard vehicle seat, the vehicle will be viewed as a float and will be inspected by Denver Fire onsite.

If your business or organization is looking to have more than 100 people participate, you must apply for two entries.

If you have any questions regarding parade pricing, email PrideParade@lgbtqcolorado.org.
