

WHAT'S GAYER THAN BRUNCH IN THE PARK?

Bubbles and Boas is a brunch extravaganza in Cheesman Park. We'll have over 15 food trucks serving brunch delights for all dietary needs, a full bar featuring mimosas and craft mocktails, and local coffee roasters. On top of the food and bevies, you'll find local drag performers and an array of local artists and small business vendors.

General Admission – Includes two drink tickets and six food tickets that can be redeemed for a variety of brunch items.

Early Entry – In addition to the general admission offerings, early entry includes early access to Bubble and Boas at 9:30 and a custom Pride picnic blanket (while supplies last).
